Forecast for Tuesday 21 Jun 2022

Weather: Cloudy with occasional rain in the early hours, dying out after dawn. A cloudier day to come, but mainly dry, though scattered showers may reform over the Cairngorms in the afternoon and early evening. Some sunny intervals also likely.

Chance of cloud-free hill tops above 800m: 30% in morning rising 80% in afternoon, decreasing 60% during the evening.

Low cloud and visibility: Visibility away from cloud mostly good, but cloud could be down to 500-750m in the morning before lifting to 1100m or above in the afternoon, but starting to descend in any showers in the evening. Any showers may reduce visibility below the cloud to an extent.
